The Generation Health Forum Series launches with an inaugural community conversation presented by Sunnybrook Health Sciences Centre and The Bespoke Wellness Group, with Crescent School as venue sponsor. A new initiative focused on prevention, resilience, and lasting well-being.

Canada's most forward-thinking physician minds are coming together to tackle youth mental health, social media's impact, and how families and communities can foster resilience from an early age. This event spotlights timely solutions to build healthier childhood futures.

CORTELLUCCI FAMILY THEATRE, CRESCENT SCHOOL, 2365 BAYVIEW AVE, NORTH YORK
